PORT HOPE COUNCIL 6490

April 15, 2013

This year our council is organizing The Northumberland Charity Golf Tournament in support of the Northumberland Hills Hospital Palliative Care Unit and the Green Wood Coalition and you are invited to participate by sponsoring a hole, by donating prizes or by playing in the tournament.

The great work that the Palliative Care does is very well known. The Green Wood Coalition is a Registered Not for Profit organization which does not depend on on-going government funding. Green Wood Coalition provides grass roots practical help to 100 plus people in the municipality, including a weekly community dinner, a Community Outreach Worker, weekly access to a Nurse Practitioner, an Advanced Foot Care Practitioner as well as social and emotional interaction. The Green Wood Coalition is assisted by many local volunteers and 10 community churches.

The tournament is to be held on June 22, 2013 with a 12:00 noon shotgun start at Ashbrook Golf Course. Golf, carts, prizes and steak dinner are included in the entry fee. The cost is \$120.00 but you can register for \$100.00 before May 15, 2013. The scramble tournament will be limited to 128 golfers to keep play moving. Entry tickets can be purchased at Ashbrook Golf Course or by contacting Ross Fraser: (905) 885-3749 or Hugh Penney: (905) 885-6913 or Branden Fonovic at 289-251-8912. The ticket is needed to get into the tournament. **THERE IS NO SALE OF TICKETS** on the day of the tournament. The last day to purchase tickets is June 17, 2013.
